EDUCATION

Hunter College, City University of New York

Aug 2023 – May 2027

Bachelor of Science in Computer Science (Lower Senior)

Relevant Coursework: Data Structures, Object-Oriented Programming, Discrete Mathematics

LaGuardia Community College, CUNY

Aug 2022 – Dec 2024

Associate in Science – Computer Science

WORK EXPERIENCE

Excell America Balloon Company

Dec 2023 – Feb 2026

Customer Service & Logistics Associate

- Processed and managed customer orders end-to-end using digital systems, maintaining accuracy across product selection, invoicing, and shipping documentation for high-volume order workflows.
- Maintained accurate inventory data records by pulling, scanning, and labeling products across multiple order types, improving fulfillment reliability.
- Communicated directly with customers regarding product availability, order status, and timelines, resolving issues to ensure client satisfaction.

INTERNSHIP

Little Angels' College

Sep 2021 – Dec 2022

Peer Advisor

- Assisted students in navigating digital academic systems, course selection, and connecting with tutoring, writing support, and scholarship resources.
- Supported workshops and orientation events, strengthening communication and organizational skills across a diverse student body.

PROJECTS

- **StockFlow Inventory & Order Tracker:** Built a Java console application for tracking product inventory, customer orders, and low-stock alerts, with CSV file storage and order processing that automatically updates stock quantities.
- **BudgetWise Personal Finance Analyzer:** Created a Python command-line tool that reads transaction CSV files, groups spending by category, compares totals with monthly limits, and writes clear Markdown summary reports.
- **EA Sports Feature Design:** Drafted a gameplay feature proposal and C++ object-oriented design for a college football simulation, including class responsibilities and player interaction flow.

EXTRACURRICULAR ACTIVITIES

- Member, National Society of Leadership and Success – LaGuardia Community College
- Volunteer Math & Computer Science Tutor for high school students
- 1st Place – Intercollege Soccer Tournament, Little Angels' College, Nepal
- 1st Place – U16s Sir Edmund Hillary Soccer Tournament, Khumjung Secondary School, Nepal

TECHNICAL SKILLS

Programming Languages: Python, Java, C++, SQL
